Waste Reduction Ltd.

The Original
Arcoa e-Z Reacher®

*The Heavy Duty Outdoor
Pick-Up & Clean-Up Tool*

The **Arcoa e-Z Reacher®** is the heavy duty helper at home, in the garden or on the job. With this innovative tool, everything is within reach without stretching, straining or bending. Easily pick up trash and debris, and keep your hands away from unsanitary items. Your customers will work more quickly, safely and efficiently with the e-Z Reacher®—the original rubber cup reacher!

- No bending, stretching, or straining, so it's easy on your back, knees and hands
- Retrieving hard-to-reach items is a snap because the e-Z Reacher comes in both 32", 40" and 48" lengths
- With the versatile e-Z Reacher, you can pick up objects as small as a dime or as heavy as a five-pound brick
- The durable e-Z Reacher's replaceable rubber cups are easy to clean, and it's made of lightweight aluminum that won't rust
- Contact Sybertech today for more information on this great product!
